

Welcome to 2019 - Wishing you an intentional and focused year

It is our "highest and best use" to show up for our businesses in a way that improves the lives of our customers, associates and vendors. We will continue to work hard so our clients feel the "WOW" that our team generates each and every day. Thank you for supporting Gemini Builds It and Showcase Acrylics. If we can ever help you with anything, please do not hesitate to ask.

Warmest regards,
Courtney Wright - CEO
